Dear Friends,

I hope you continue to be well.

It has been a joy to worship together in past weeks and it has been a delight to welcome so many to our services. Last Sunday's Holy Communion at Upper Sheringham was very well attended and it was wonderful to hear the bells again. Only three bells were rung in the traditional way because of the need to observe social distancing in the tower but the automated system was also used as was the Sanctus Bell during Communion. In the afternoon we celebrated a baptism at Upper Sheringham where family and friends joined in celebrating the beginning of Nieve's Christian journey.

This month sees our Harvest Festivals. Please bring what you can for the Cromer and District Foodbank which is in great need of tinned and dried foods, canned and bottled soft drinks, bathroom requisites, biscuits, chocolate and other treats.
