It is currently compulsory to wear a face covering in church unless you are medically exempt. This must cover your nose and mouth.

A sincere “thank you” to everyone who attended the service to dedicate the bells and facilities at Upper Sheringham, and to Lin, Sue and Guy, and others who made the occasion so memorable, including members of the Cantamus Choir who sang for us and David who played the organ. The Bishop was delighted with the arrangements and enjoyed being with us. It was lovely to have Margaret Boardman there together with members of their family. The bells sounded wonderful and are a great asset to our ministry and mission in Upper Sheringham.
